

ADDRESS APPLICATION FORM

NOTE: A driveway location must be approved before an address is assigned. If a development or driveway access permit is required, they must be approved before the address is assigned. Any application for a building permit, development permit, OWTS permit, Special Use Permit or driveway access permit may require the assignment or change of an address number.

Please check one:

- ☒ **New Address:** To create an address number for a property previously unaddressed.
*If the access road to the property is unnamed, you may need to apply for a new street name in addition to an address number. Check with the Addressing Official.
- ☐ **Address Change:** To change the address number of a property previously addressed.

Other applications submitted to Planning and/or Road & Bridge: Please check all that apply. This application does not replace these other permit applications.
