

MEMORANDUM

TO: Lisa Garrett, San Miguel County Planning
FROM: Dan Quigley, County Engineer
DATE: July 2, 2021
SUBJECT: Site 66 at Trout Lake - OWTS Review

Lisa:

We have completed our review of the OWTS design plans for the proposed new OWTS at Site 66 in the trout Lake subdivision near Telluride. Those plans were prepared by Alpine Land Consultants, LLC and dated September 14, 2020. We have reviewed the plans and take no exceptions to the plans as presented. We recommend approval of the OWTS permit and construction of the proposed new OWTS as presented in these plans.

The plans consist of three (3) sheets as follows:

- Cover Sheet with notes and calculations - 1 of 3
- OWTS Plan Sheet- 2 of 3
- OWTS Details - 3 of 3

Please let me know if there are any questions about my review comments.

Best regards,
